

Support Creative Youth

- enabling young people to realise their potential through the arts
- equipping young people with the skills and confidence to succeed
 - celebrating the achievements of young people in the arts
- producing high quality programmes that showcase and support young and emerging artists

Creative Youth has been made possible by supporters and sponsors including Royal Borough of Kingston Council, Kingston College, Young Kingston, Arts Council England, the Heritage Lottery Fund, the Garrick Trust, the Mercers Foundation, the Foyle Foundation, other trusts and foundations, Bentalls Kingston, John Lewis, BT, Air Charter Service, Kingston First, Kingston College, Kingston University and Canadian & Portland.

We are extremely grateful for all this support. We know that support from such sources can never be guaranteed. Financial uncertainty is a fact of life for most charities and Creative Youth is no exception. Therefore, regular committed giving provides a degree of financial security as Creative Youth builds on its success and its plans for future generations of young people.

Do please join our valued supporters by making a commitment to a regular gift to help fund Creative Youth's activities. The table below illustrates how relatively modest monthly gifts can produce valuable annual contributions, especially if given under Gift Aid. There is a banker's order form on the reverse of this page.
