A man in a light-colored plaid suit is standing in the center of a modern office or meeting room, gesturing with both hands raised as if speaking or presenting. He is wearing a blue lanyard. In the foreground, the back of a person's head and shoulders are visible on the left, and another person's head and shoulders are visible on the right, both out of focus. The background shows office furniture, including a black chair and a table, and industrial-style ceiling lights and pipes. The overall lighting is warm and professional.

FUSE International 2026

26 Jun 2026 - 5 Jul 2026

FUSE International is a multi-arts festival for young people that offers a dynamic programme of music, theatre, dance, comedy, visual arts, spoken word, circus and more. Formerly known as IYAF (International Youth Arts Festival), FUSE International takes place every year in summer in the stunning historical location of Kingston upon Thames, in London.

FUSE International brings together the best artists under 30 from all over the world. It provides a platform to promote and celebrate creative talent and connects international and local young people through the arts. Since launching in 2009, it has grown to become the biggest festival of its kind in the UK.

The artforms FUSE incorporates are changing all the time. We don't like to be prescriptive - fundamentally, if you have an idea, we want to hear about it. And whatever it is you bring,
